Preview: ...the mouthwatering treasure from the Gulf of Maine

Body:

Dear [Firstname],

If your year's been as crazy as mine... it's okay to treat yourself a little...

Give yourself a break... enjoy a mouth-watering gourmet seafood experience -- at home -- without the hassle, inconvenience, and expense of going to a fancy restaurant, even if you're 1000 miles away from the ocean and you've never cooked a day in your life.

You don't even have to leave your home... We'll take care of everything.

[LobsterAnywhere](#) wants to send you everything you need to whip together *real gourmet* New England cuisine. Now you can *finally* experience the treasures of the Gulf of Maine!

Place your order and we'll airdrop whatever you like:

- Maine Lobster (dead or alive)
- Lobster Tail or Lobster Meat
- Chowder & Bisque
- Colossal Shrimp
- Sea Scallops
- Gift Packs
- And much more!

Every shipment is airmailed overnight -- so within 24 hours -- you can enjoy a lobster dinner you'll never forget. With every shipment we also include a simple and easy to follow cooking guide, so that even a college bachelor can't mess it up!
